Dear Parents,

The new uniform is now available and it has been excellent to see so many students wearing it and reporting how much they like it. We have been very pleased with the feedback from parents and appreciate the suggestions that some of you have made.

The purpose of this letter is to remind you of the details relating to the uniform itself and the changeover period.

- The changeover period runs until the end of 2013. By the commencement of 2014 all students must be completely in the new uniform.
- During the changeover period students are to be completely in the new uniform or the old uniform; no mixing and matching is allowed.
- Students are not to wear leggings with the sports uniform. Students may either wear sports shorts or tracksuit pants.
- From the commencement of 2014, students must wear predominantly white runners for sport and Physical Education. Please keep this in mind when purchasing new runners.
- From the commencement of 2014, female students will not be allowed to wear T-bar school shoes. These are considered a safety risk as they break easily and students do not wear them correctly. Black lace up leather school shoes are to be worn by male and female students. Younger students may wear Velcro school shoes.
- Students in Years 9-12 must wear a blazer to and from school every day, when moving between campuses and when on excursions.
- Students with shoulder length hair must have it tied back at all times with a navy blue ribbon in winter and white ribbon in summer.
- Skirts and dresses must be at a length that touches the top of the knee.
- Students are permitted to have a maximum of 2 piercings in each ear. No other piercings are permitted (even if they are covered up by clear Band-Aid or transparent stud).
- The only items of jewellery permitted are Jewish symbols, simple studs or sleepers.
- Students are not permitted to wear makeup.

Please note that the staff will be closely monitoring these guidelines. The aim of these guidelines is to ensure that students wear the uniform in a way that demonstrates their pride in being students of The King David School.
If you have any questions about how and when to purchase the new school uniform please speak with the personnel in the Uniform Shop.

Your support with this timely renewal of our School’s physical identity is greatly appreciated.

Yours sincerely,

Michele Bernshaw
Principal
