

The School Uniform represents the values of the School. It is modern, comfortable and emphasises gender equality. Students should positively represent the School at all times by wearing the uniform with pride. The wearing of the school uniform and general appearance of students should be in line with appropriate community standards. The School Principal or delegate will determine the application of this principle where required.

## General Guidelines

Please note the following general guidelines about wearing the uniform:

- All uniform items apart from bathers must be purchased through the School’s official supplier. Generic items are not allowed.
- Only the defined school uniform as outlined may be worn at school and when travelling to and from school.
- Blazers are compulsory for students in Years 9 to 12. Blazers are to be worn to and from school all year round except on declared “blazer free days” or on days when the temperature is over 30 degrees. Years 9-12 students are not to appear in public with their jumper as the outer garment.
- The academic uniform and the sport uniform should not be mixed in any way.
- Sun-hats must be worn when necessary for sun protection (please refer to UV policy for more information).
- The Option 1 Summer and Option 1 Winter uniform should not be mixed.
- Options 1 and 2 should not be mixed.
- All uniform items must be clearly labelled with your child’s surname.
